2008

The driving theme for 2008 is
***The Finance Global Leader
building treasury best practice***

Collaboration with Mainland Chinese Government

- IACCT delegation invited by the Chinese Government to:
 - visit the Ministry of Finance and other key Government Departments in Beijing
 - visit the fastest growing Northeast China Region

- IACCT invited by the Chinese Government to submit a Treasury Qualification and Education White Paper to the Ministry of Finance.

Treasury leadership initiatives:

- Partnership with treasury associations in the Asia Pacific region to create a treasury community and promote the *APT forum* [Asia Pacific Treasury forum]:
 - FTA
 - TMA
 - ACT(S)
- Partnership with corporate members and knowledge leaders to share best information and editorials:
 - McKinsey
 - EuroFinance of The Economist Group
 - Reuters
- Partnership programs with Chinese, Hong Kong and overseas universities to build best treasury practice
- Expanded co-operation with Mainland Chinese associations to promote and share best treasury practice:
 - HKCEA
 - CACFO
 - CICPA
 - AmCham South China
